

CANBERRA Equine HOSPITAL

Canberra Equine Hospital would like to invite you to their

EQUINE BUSHFIRE SAFETY SEMINAR

Be bushfire ready for your horse.

Guest speakers include; Misty Stebbing – Equine Disaster Manager, Greg Potts and Diane Ferguson – ACT Rural Fire Service & Anne Muir – Department of Primary Industries.

Learn more about **before, during and after** fire care:

- Receive advice on the best form of equine identification to assist in recovering horses after a fire scenario
- Learn what is essential for a first aid kit and your own fire emergency pack
- Identify evacuation sites in your local area and how to operate the 'Bushfire Buddy' system
- Start designing a bushfire plan for you and your horse
- Understand about important health issues that can affect horses in the aftermath of surrounding fires.

Do you have a bushfire safety plan for yourself and your horse?
